PUBLIC NOTICE

CALIFORNIA STATEWIDE INTEROPERABILITY EXECUTIVE COMMITTEE (CALSIEC) ANNOUNCES NEXT MEETING

Tuesday, July 10, 2007, 10:00 AM – 3:00 PM

The California Statewide Interoperability Executive Committee (CALSIEC) was established in 2003 by the Director of the Office of Emergency Services (OES) to consolidate California's administration of state and nationally designated Interoperability channels, and to fulfill California's responsibilities outlined by the FCC in 47 C.F.R. §90.525.

Meeting Location:

Governor's Office of Emergency Services
Senator William P. Campbell Emergency Services Building
3650 Schriever Avenue
Mather, California 95655
(A map to the facility is attached.)

This meeting is open to the public. Representatives of Federal, State, Tribal, County, City, and Special District Public Safety agencies, and non-governmental organizations with FCC Public Safety Radio Services eligibility are encouraged to attend and participate.

OES welcomes RSVPs from attendees for planning purposes. To RSVP, or for more information on the California Statewide Interoperability Executive Committee, please contact Marlo Brush at OES Telecommunications Section on 916.845.8612, or email Marlo_Brush@OES.ca.gov.
